

International Congress on Obesity (ICO)
18 - 22 October 2022 in Melbourne, Australia

POSTER GUIDELINES

- If your abstract is accepted as a poster, you will be requested to be available for discussion during the corresponding poster viewing session (see below)
- It is mandatory to indicate your new abstract number in the upper right corner of the poster
- The maximum usable poster board surface is 120 cm high and 90 cm wide (portrait format)
- Don't overload your poster. Remember, you are not writing an article
- Seek simplicity, keep text to a minimum and avoid redundancies
- ICO is keen to adopt new ways of poster presentation and design. We thus encourage our poster presenters to refer to the following article and guidelines when preparing their poster
 - See the article [here](#)
 - Download the BetterPoster Template [here](#)
- Handouts of your abstract / poster (with your contact details) to your interested readers may facilitate future research communication
- QR codes linking to scientific content can be included on the poster
- Prepare a short (< 4 minutes) oral guide through your poster to be presented to interested participants during the Poster viewing
- Poster hanging material will be provided onsite
- We recommend printing the poster on paper as posters on fabric are not sticking on the boards
